Software Manager
Lempert
Córdoba, Argentina

Owner
B-Inside
Córdoba, Argentina

Software Architect
Endesa – Sevila, Spain

Software Architect
Innevo
Guadalajara, México

Software Architect
Trimix
Córdoba, Argentina

2001 – 2005	2005 – 2006	2006 – 2006	2006 – 2007	2007 – PRESENT
4.5 years	1 year	6 months	1.5 year	+14 years

Software Architect/Developer — 2007 – PRESENT
Trimix - Córdoba, Argentina

Software architect and Technical saler, mainly focused on Oracle and Redhat products or software development in Java. Trimix products creation, design and development.

Software Architect/Developer — 2006 – 2007
Innevo - Guadalajara, México

Software architect and developer of a migration project from AS/400 cobol software to IBM WebSphere environment with Java J2EE.

Software Architect — 2006 – 2006
Endesa - Sevilla, Spain

Software architect in migration project from cobol application to IBM WebSphere environment with Java J2EE. Our goal was to define technologies and methodologies that best suits the project needs.

Owner — 2005 – 2006
B-Inside - Córdoba, Argentina

Owner at software company startup. Most of our projects were for two main clients. CTI Móvil (now it's called Claro), one of the biggest telecommunication companies in argentina and Siemens - Itron.

Manager — 2001 – 2005
Lempert - Córdoba, Argentina

Started in a recently created area called Solutions Architecture that was focused on learning and researching new technologies. After a few years, they move me to technical leader in several projects until i end up as manager of e-Business area.

Bachelor's in Computer Science — 1997 – 2001
Blas Pascal University - Córdoba, Argentina
